

*To my Friends , Supporters , and Prayer Partners.*

*I would like to say thank you for allowing me to go to Germany on the Mission trip. It was the most awesome thing I have ever done in my whole life. The trip was nice going over, but the 7 hours difference was kind of hard to catch up. The camp was great. We had 28 kids and they were just like our kids back home except they spoke a different language. HA HA!! I got to be one of the cooks at the camp and drive a van. We fixed mostly American food and all the kids loved it. They even wrote thank you notes to us for cooking good food. They were kept very busy with English classes, Church, and talking to their counselor after Church about God and what they wanted him to do in their life. There were 4 kids that rededicated their lives to Christ. It was amazing how you could see God working and how things came out. God worked allot in my life while I was there, made me realize even more that I have a wonderful Family and Church Family. I am looking forward to returning again if it is in Gods plans for me. I am so very thankful to all that have supported this Mission Trip and hope to keep serving God however he calls me to do so.*
