

## Training Guide

For C-groups or Personal Follow Through

- Talk about someone that has passed on a legacy.  
What kind of legacy did they leave? How did they do this?
- What kind of legacy would you like to continue after you are gone?

### Thought and Discussion Starters:

- What are some indications we see regarding the depth of relationship between Paul and Timothy in these passages?  
1:2; 1:3; 2:1; 3:10; 4:9  
  
What sort of legacy did Paul pass on to Timothy as indicated here?  
1:6; 1:13; 2:2; 3:10; 3:14
- Based on these indications, what principles can we see regarding how a legacy is passed on?
  - *A godly legacy is passed on to others through...*
  - *A godly legacy is passed on to others must include...*
  - *A godly legacy is passed on by...*
- Who is passing on a godly legacy to you? Have you intentionally sought out a "Paul" to learn from and be mentored by? If not, why not?
- Have you intentionally sought a Timothy to disciple and mentor? If not, why not?
